

# EMILY'S EDITION AND ANNOUNCEMENTS

I hope you have managed to stay warm this week! We look forward to many occasions for gathering together this weekend. We will enjoy showing off how much we know (or be embarrassed about all the things we don't!) at trivia night on Friday at 5:30 p.m. A freewill offering will go toward the White Flag Walk benefitting the White Flag Nights at UCS.

Speaking of that, on Saturday morning we will walk in the COLD to raise awareness for our neighbors who, without organizations like UCS, would spend their days and nights out on the streets. I hope you'll plan to walk with us or donate to our team (more information below—including a waiver that is super easy to sign online and must be completed to walk).

As always, we will worship together this weekend. On Saturday night, Pastor Doug will preach on Isaiah 9.1-4 and Matthew 4.12-23. On Sunday morning, we'll look at 1 Corinthians 1.10-18 to guide our time of worship.

Please note: The Annual Meeting (along with the Council Installation) has been rescheduled to February 15 immediately following worship.

## Tuesday Evening Bible Study

### New Start Date

This Tuesday

The group that formed as “U-10” was to acquaint newer members to the ministry and programs at here at Bethlehem. This project has been a great success as many of our newer folk have become part of activities and groups. Thus, the group felt its original purpose had been accomplished and it is time to move on. And that is exactly what they will be doing by creating and **inviting everyone (not just U-10 people)** to an evening Bible study class that will meet the first and third Tuesday of each month at 6:30 pm in the Welcoming Area.

The class, led by Pastor Doug, will begin **February 3rd**. The scriptures for the first study will be Isaiah 58:1-12, I Corinthians 2:1-12, and Matthew 5:13-20. Hope you make plans to join us!

**Brrr it's cold outside!**

Many of the homeless are living outside in cars or in places with no heat. If you have blankets, sleeping bags, or pillows that you no longer need or use, it would be great to pass them on to those in need. Please place donated items in the Welcoming Area's coat closet, and [Pam Wiseman](#) will transport to the homeless ministry at Aldersgate UMC.

## Semi-Annual Congregational Meeting

Please join us February 15 (new date - rescheduled due to weather), following worship for our semi-annual Congregational Meeting, where we will approve the 2026 budget and more. Bring your copy of the Annual Report and any supplemental sheets that accompany the upcoming membership mailing to the meeting.

## Proposed Changes to Constitution and Bylaws

At the semi-annual Congregational Meeting on February 14 following worship, we will be voting on the proposed changes to the church's Constitution and Bylaws. Please click the button below to review proposed changes.

SERVICES

Did you know that beginning this year, White Flag nights at United Caring Services are offered every night from November 1-April 30, no matter the weather? On White Flag nights, anyone can spend overnights in the day shelter of UCS. Expanding this program comes with cost. Help us raise funds for this vital care of our neighbors by walking with Bethlehem's White Flag for Cold Nights Walk Team, donating to our team's fundraising efforts, or attending Trivia Night on January 30. Sign up to walk, donate, or learn more at <https://onecau.se/whiteflag> and to [sign the walk participation waiver](#) here.

## Work Day Challenge at Habitat for Humanity of Evansville

The hammers have been raised, and the challenge has been issued—Bethlehem UCC versus St. Paul's UCC in the Great UCC House Build. Who will bring more volunteers to build a house?

We are looking for volunteers who would like to help on the construction of the next UCC Habitat for Humanity house. To be held on February 3, 2026, we are meeting at the indoor Volunteer Center located at 935 Maxwell Avenue. The day begins at 8:00 and concludes at 2:30 with lunch provided at 11:00.

All men and women over 18 are welcome to support and are an essential element to build houses. Habitat has skilled volunteers on site that will lead the build and show you what to do and how to do it! No construction experience is required. This is a great way to connect and give back to the community!

Please contact Barry Jones by Saturday, January 31, by 12:00 (NOON) for lunch count, through email at [twinpapa02@yahoo.com](mailto:twinpapa02@yahoo.com) or text 812-459-2813 to confirm attendance. Please go click [here](#) to create an account with Habitat **and** then click the **RESPOND** box to add your name to the volunteer list.

Thank you to everyone who has agreed to serve as ushers. Various members are assigned to February.
